Old Business

Dr. Femi Ajayi and members of the examination unit appeared to discuss board member's concerns about examiners and training dates.

Janet Jackson submitted advice as to the feasibility of issuing only a cosmetology salon license under O.C.G.A. §43-10-01. Ms. Jackson concluded that "the board is not required to issue licenses that designate registered shops or salons as nail, esthetician, or cosmetology shops or salons. And there is no legal prohibition to licensing all shops and salons as "cosmetology" shops or salons. The statute and the rules do prohibit a person who is licensed as a cosmetologist, esthetician, or nail technician from performing services for compensation for which the person is neither licensed nor trained to perform".
